Awards and Recognitions

Philosophy

Francis X. Boden Award for Excellence in Social and Political Philosophy

2024 Recipient: Joseph Spiezio

Arts & Sciences: Philosophy and History majors; Medieval Studies minor

This award is presented to an undergraduate major in Philosophy selected by the Philosophy faculty based on excellence in academic achievement in social, political, and legal philosophy. The award honors Mr. Francis X. Boden who graduated from Marquette College in 1895 and practiced law in Milwaukee until his death in 1935. Throughout his life, Mr. Boden had a deep interest in philosophy.

Rev. John Naus, S.J. Award for Excellence in Ethics and Values

2024 Recipient: Macnessa Fidlin

Arts & Sciences: Philosophy and Peace Studies

Comprehensive Honors Bachelor of Arts

This award is presented to an undergraduate major in Philosophy selected by the Philosophy faculty based on excellence in academic achievement in the study of Ethics and Values. The award honors the legendary Philosophy professor Rev. John Naus, S.J.

James Robb Award For excellence in the History of Philosophy

2024 Recipient Tin Krstulovic

Arts & Sciences: Philosophy and Applied Mathematics majors; Sports

Management minor

This award is presented to an undergraduate major in Philosophy selected by the Philosophy faculty based on excellence in academic achievement in the study of the History of Philosophy. The award honors the much-beloved Dr. James H. Robb, Professor of Philosophy from 1956-1993.

Awards and Recognitions

Cognitive Science

The Alan Turing Award

2024 Recipient: Clare Fitzgerald

Arts & Sciences: Cognitive Science major and Computer Science minor

This award is presented to an undergraduate major in Cognitive Science for excellence in academic achievement in cognitive science. This award honors Alan Turing, who was a mathematician, computer scientist, and a philosopher, who is widely considered the founder of computer science and artificial intelligence.

The Ulric Neisser Award

2024 Recipient: Bennett Apostol

Arts & Sciences: Cognitive Science and Data Science majors

Honors Bachelor of Science

This award is presented to an undergraduate major in Cognitive Science for excellence in empirical research. This award honors the psychologist Ulric Neisser, whose work brought together research on perception, pattern recognition, attention, problem solving, and memory. His novel integration of these areas has paved the way to the development of the field of cognitive psychology.

Awards and Recognitions

Philosophy Graduate Program

Thomas C. Anderson Graduate Instructor Teaching Award

2024 Recipient: Cameron Roman

2023 Recipient: Dustin Trampe

This award, named in honor of a long-time Philosophy Department Chair, is given to a graduate student instructor who has demonstrated excellence in teaching.
