Ad majorem Dei gloriam ... 

... For the greater glory of God
At this gathering of our St. Ignatius Legacy Society, we remember and celebrate the hundreds of outstanding legacy gifts the university has received, including the Barbara Witkiewicz Gift Annuity Fund.

“I have fond memories of attending Marquette when life was simpler,” recalls Barbara Witkiewicz, Arts ’63. “John Kennedy was president, and even though I was not able to vote, I remember how inspired I was by the promise of that man. It was a wonderful time to be learning and discovering what was really important.”

A long-time benefactor to Marquette, Barbara recently made a gift to her alma mater in the form of a charitable gift annuity.

“Giving to Marquette has been as important to me as giving to my parish church,” she says. “As a matter of fact, I feel a stronger obligation to Marquette because it gave me the skills and values I needed to earn a living. Because I have been blessed in my life, it is essential that I share those blessings. It’s not important what you have but what you give.”

“Originally, my plan was to leave Marquette a sum of money in my will,” she explains. “After hearing about and investigating the university’s gift annuity plan, I decided to make my gift before my death; it was both a wonderful investment for me and an opportunity to give during my lifetime. I can see my money at work for the university, helping students with financial need to complete their education. It continues to be an excellent investment.”
