

MARQUETTE
UNIVERSITY

BE THE DIFFERENCE.

A Different Kind of Degree.

A Different Kind of Formation.

A Different Kind of Professional.

In 2020,
Humanities
Majors (like
THEO) enjoyed a
46% acceptance
rate to Medical
School (compared
to a 41% for
Biosciences)

Flexible Second Major!

(*Course required for MCC)

- THEO 1001*
- CORE 4929*
- THEO 4979
- 7 Electives

(2 THEO Electives can count for
DISCO Tier)

Pre-Healthcare Electives

- Theology, Philosophy and Science
- Theology and Global Health
- Medical Ethics
- Religion, Science and Ethics
- Ignatian Spirituality
- Contemplation and Justice in a Violent World
- Religion and Science
- CORE 4929 Sections Focused on:
Transhumanism; Addiction; Death and Dying

Personal and Professional Difference

- Small classes and personal attention from faculty.
- Faculty know you and write letters that reflect who you are
- Study the art of discernment.
- Develop empathetic skills
- Gain insight into spiritual dimension of experience
- Forge connections between science, religion, and ethics.
- Cultivate spiritual practices to encourage resilience and resist burnout
- Stand out among applicants

Theology Double-Major for Health Professionals
